

A close-up photograph of a welder in a dark industrial setting. The welder is wearing a silver and black protective mask with a purple-tinted visor and heavy-duty black gloves. They are using a welding torch, which is emitting a bright orange flame, to work on a metal component. The scene is dimly lit, with the primary light source being the intense heat of the weld.

Portal Application Submission Walk-Through

Introduction

Welcome! We're excited to guide and support you through our portal process. Please follow the steps below to complete your application.

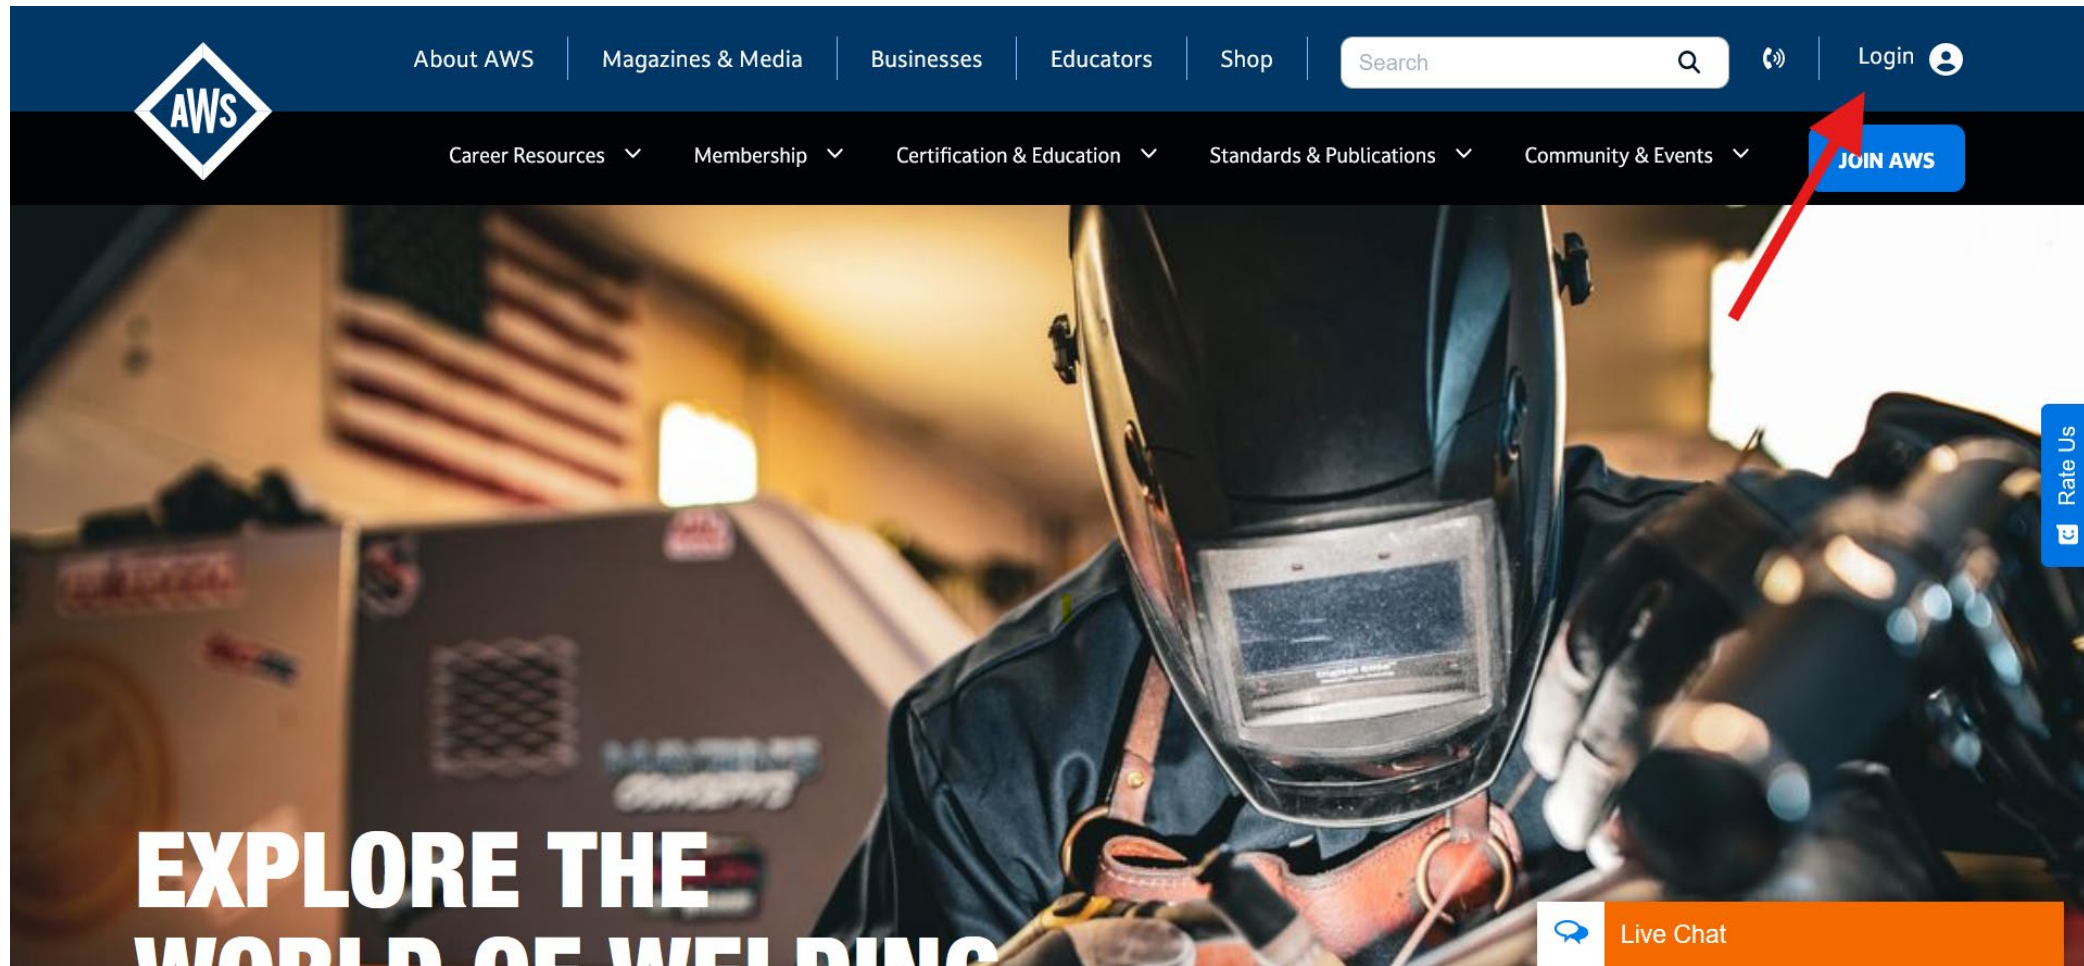

Before You Start

1. Please ensure all documents fields are completed.
2. Ensure all documents are uploaded in PDF, Word, JPEG, or PNG format.

Click [here](#) for a complete list of requirements.

Using your preferred web browser visit our AWS website (<https://www.aws.org>) and click Login.

When prompted to the screen below, set up an account or log in by providing all the required information. The system will guide you through this process.

The image shows a mobile-style login and registration interface for AWS. At the top is a dark blue header with the AWS logo. Below the header, the text "Sign into your Account" is centered. There are two input fields: "Email Address" and "Password". The "Password" field has a toggle icon (an eye) to the right. Below the password field is a checkbox labeled "Keep me signed in". There are two blue buttons: "SIGN IN" and "CREATE NEW ACCOUNT". Between these buttons is a horizontal line with the word "OR" in the center. At the bottom, there are three links: "Forgot password?", "Click Here if you can't reset your password", and "Help".

After setting up your account, you will be redirected to the home screen of our website.

Click on your name in the top right-hand corner.

Explore what's new on My.AWS.org—now redesigned with a fresh layout and smarter features to help you navigate faster and more efficiently.

Once you are prompted to this screen, carefully read all our Terms and Conditions & Communications Agreement. Click the “I attest to the terms and conditions above” button and then make selection for Communications section.

Attestation of Terms and Conditions

IMPORTANT: If at any point you determine that you want to change your application type and/or package bundle, please click on the "Cancel" button below and restart your application from the beginning.

Upon obtaining my certification, I give AWS the right to reveal my certification status as it relates to my validity and expiration date. I further understand that any required information that is incomplete or missing will cancel this registration.

CODE OF ETHICS, RULES OF CONDUCT AND PRACTICE

I attest that I have thoroughly read QC1: 2016-AMD 1 Specification for the AWS Certification of Welding Inspectors, Clause 11 - Code of Ethics, Rules of Conduct and Practice and agree to comply with it.

EXAMINATION POLICIES AND FEES

Furthermore, I certify that I have not obtained any exam materials, have no prior knowledge of the AWS exam questions or answers, and have not and will not accept any solicitation for the AWS exam questions or answers from anyone at any time before, during, or after the exam as stated on the [Exam Security Agreement and General Terms of Use](#) (Please click and read this link prior to accepting the Terms and Conditions. You will be required to sign this form on exam day). I understand that a violation of this oath may be grounds for invalidation of my certification and may be grounds for expulsion from any future testing.

AWS may contact me via SMS in regards to status on my application and/or changes to test locations or other important details standard message and data rates may apply, as well as message frequency, and they can reply STOP at any time to opt out of messages and our privacy policy <https://www.aws.org/termsfuse/>.

INFECTIOUS DISEASES

Attendee acknowledges that attendee may be exposed to infectious diseases during the event, including but not limited to COVID-19, and such exposure may result in serious illness or even death. Attendee voluntarily assumes all risk of such injury, harm, and loss.

☐ I attest to the terms and conditions above

Communications Agreement

AWS may contact me via SMS in regards to status of my application and/or changes to test locations or other important details, standard message and data rates may apply, as well as message frequency, and replying STOP at anytime will opt out of messages. For additional help please contact AWS at customer@aws.org or refer to AWS privacy policy at <https://www.aws.org/termsfuse/>

A close-up photograph of a welder in a dark industrial setting. The welder is wearing a silver and black protective helmet with a purple-tinted visor. They are wearing dark, textured gloves. In their right hand, they hold a welding torch, which is emitting a bright orange flame. Their left hand is positioned to guide a metal rod or wire into the flame. The background is dark and out of focus, emphasizing the welder and the intense light from the torch. The image is partially obscured by a dark blue diagonal overlay on the right side.

THANK YOU!
