

American Welding Society®

CAREER READINESS ONLINE TRAINING COURSE

1

Gain insights into best practices directly from industry hiring managers

2

Learn ways you can best represent your employability

3

Position yourself to stand out as a top candidate

While the demand for skilled workers is rising every day, the jobs landscape is also getting increasingly competitive. Therefore, professionals may not know what to expect upon leaving school or changing careers. With the help of industry hiring managers, the Career Readiness Online Course introduces the basic steps inherent to the hiring process, specific to the welding industry.
