# AWS EARLY CAREER MEMBERSHIP ACCELERATE YOUR AMBITION

You have the talent and drive – now you just need the right tools to put your career on the fast track.

The Early Career Membership is specifically designed for new welding professionals under the age of 35 or with fewer than five years of industry experience. This is your chance to explore what AWS membership has to offer and gain a competitive edge in the workforce – all at a reduced rate of **\$55** per year.

## As an AWS Early Career member, you can:

- ◆ Stay updated on industry trends, technology, and products through the award-winning *Welding Journal* digital magazine
- ◆ Receive technical advice from experienced professionals at local AWS Section meetings or online through the AWS Member Network forum with nearly 70,000 members
- ◆ Enjoy discounts on a wide range of AWS educational resources, standards, and conferences
- ◆ Save even more money through partner programs, including insurance (varies by location), business services, shipping, and office supplies, travel deals, and more

## Get additional benefits with an upgrade to Individual Membership:

When you join as an Individual Member you can purchase an AWS publication for **\$35** - up to an **82% discount!** You can choose from a list of popular titles, including the *Welding Handbook*. Individual Members also receive additional benefits including a print subscription to the *Welding Journal*, and discounts on AWS Certification, Conferences, and Seminars.
