

ELIHU THOMSON RESISTANCE WELDING AWARD NOMINATION FORM

The Elihu Thomson Resistance Welding Award is presented annually by the RWMA to a living individual who has made an outstanding contribution to the technology and application of resistance welding, as evidenced by one or more of the following:

- 1. Authored one or more technical papers on a resistance welding subject published in the AWS *Welding Journal* or any other industry-recognized publication.
- 2. Developed innovations in resistance welding equipment or technology.
- 3. Made a unique application of resistance welding in a production environment.
- 4. Other contributions as the RWMA Governance Committee shall deem worthy of recognition.
