AWS STUDENT MEMBERSHIP ELEVATE YOUR EDUCATION

As a welding student, knowledge is power – and the key to setting yourself up for a rewarding career. The AWS Student membership allows you to enhance your education and tap into invaluable resources outside the classroom or training room, including mentorship from experienced professionals. And it's now complimentary to you, making it the easiest extra credit you'll ever find.

With an AWS Student Membership, you can:

- ◆ Learn about the latest industry trends, technology, and products in the award-winning *Welding Journal* digital magazine
- ◆ Meet and network with other aspiring welders at a local AWS Student Chapter or online through the AWS Member Network Student Community with more than 8,000 members
- ◆ Apply for an AWS Scholarship to receive tuition assistance for two-year, four year, and vocational welder training programs
- ◆ Prep for your career with free or discounted online courses and publications
