AWS SUSTAINING COMPANY MEMBER BENEFITS

The Sustaining Company membership is intended for forward-thinking organizations that want to promote an internal culture of continuous improvement and take an active role in shaping the industry. As our highest and most visible corporate membership level, Sustaining Company Members can select from three primary benefit options, receive ten corporate roster memberships, and enjoy many other benefits and discounts.

PRIMARY BENEFIT: Choose ONE of the following options:

1. AWS Standards Hard Copy Library for Sustaining Company Members

- ♦ Printed copy of nearly 160 AWS Technical Standards valued at \$15,000
- ♦ Requires one-time library set-up fee of \$2,020 (\$2,420 for international members)
- ♦ After the first year, an option additional fee of \$350 (\$450 for international members) will be assessed along with membership renewal to be eligible for twice-annual updates to included Standards

2. AWS Standards eLibrary for Sustaining Company Members

- ♦ Electronic access to nearly 160 AWS Technical Standards valued at \$15,000
- ♦ 24/7 access at a single site through a valid IP address
- ♦ Text searchable for quick information retrieval
- ♦ User-friendly interface, giving clickable access to resources

3. 10 Additional AWS Individual Memberships

- ♦ These 10 memberships are in addition to the 10 you already receive with Sustaining Company Membership, so you would receive 20 memberships in total

PLUS: Sustaining Company Members also receive:

- ♦ **10 Individual Memberships** “owned” by the company, to distribute to employees or customers. These memberships can be reassigned at any time for no additional charge. Each individual receives:
 - Discounts on AWS conferences, seminars, certifications, and bookstore purchases
 - Access to the AWS Member Network online community with ongoing discussions, file library, and member directory
 - Subscription to the award-winning monthly *Welding Journal* magazine
 - Affiliation with a local Section for networking and leadership opportunities
 - *This Week in Welding* – an e-Newsbrief with quick links to timely news stories related to welding worldwide, as well as interesting tidbits about AWS events, educational offerings, and new AWS publications
- ♦ AWS Sustaining Company Member logo for use on company letterhead and promotional material
- ♦ Free company listing and hyperlink from AWS’s 100,000 visitors-a-month website, aws.org, to your company’s website
- ♦ Professionally engraved wall plaque to show company affiliation with AWS
- ♦ 25% discounts on job postings at jobsinwelding.com
- ♦ 2 complimentary seats in the AWS Online Educational Library
