# AWS Midwest Districts Welding Conference

## Procedure & Welder Qualification Workshop

**When and Where**  
**March 10-11, 2026**  
 Moraine Valley Community College  
 9000 W College Parkway  
 Palos Hills, IL 60465 Building T

**PDH Hours**  
 Tuesday - 9hrs  
 Wednesday - 8hrs

**REGISTER TODAY!**

- ### Workshop Goal
- Strengthened knowledge of AWS codes, standards, and inspection requirements.
  - Identify and apply best practices in welding inspection and quality assurance.
  - Gain exposure to current and emerging technologies used in radiographic examination
  - Improve accuracy and consistency in the development of welding procedures, visual inspection, and documentation.
  - Network with industry experts and peers to share insights, challenges, and solutions.

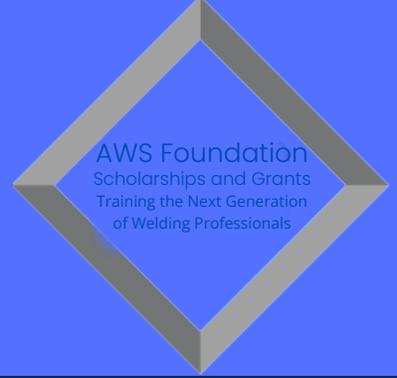

### Workshop Overview

This conference is designed to support new and seasoned CWI's, Engineers, Educators, QA/QC, Technicians, Welders, Supervisors, Managers, and Students seeking to refresh and update their knowledge. The program will provide practical insights, technical updates, and hands-on learning opportunities to help participants strengthen their expertise and prepare for the challenges of their roles in the welding field. The event will feature well-known experts in welding codes and welding technology who will lecture, demonstrate, and facilitate interactive sessions. Through technical presentations, case studies, AI assisted code search, and practical demonstrations.

### REGISTRATION

Early registration until February 10, 2026 - \$350  
 Registration after February 10, 2026 - \$400  
 Member Registration - \$350  
 Register soon, limited seating, sells out early.  
 Lodging - Double Tree Hilton Chicago - Alsip, IL  
 5000 West 127th Street, Alsip, IL 60803  
 Room Block Reserved until 2/16/26, Code: AWS.  
 Call (708) 371-7300.

All Event proceeds to fund the AWS Midwest Districts National Scholarship  
 The American Welding Society is a 501(c)3 non-profit. All donations are tax deductible
